FESTIVE SEASON SAFETY AND SECURITY MESSAGE

The Malawi Police Service (MPS) wishes to inform Malawians that security has been enhanced in all cities, towns and districts across the country in this festive season to help in reducing the fear of crime among the people, to deal with any criminal elements and to regulate traffic.

Malawians are therefore, requested to cooperate with their Police to ensure safer communities during the festive season and beyond.

On home safety and security, MPS is reminding Malawians to always leave behind a responsible and mature person to look after their homes when they are out for prayers, entertainment or any other activity.

Likewise, Revellers heading to the lake and lodges with swimming pools are advised to refrain from swimming whilst drunk and to always put on life jackets when in the waters to reduce cases of drowning.

Furthermore, road users are reminded to be cautious when on the road. Drivers in particular are being warned against speeding and careless overtaking and drink driving to reduce road accidents.

The MPS is assuring Malawians of Police vigilance and alertness in ensuring a safe and secure festive season and all defaulters will be arrested and prosecuted accordingly.
