MPS ARREST MR. BON ELIAS KALINDO FOR BREACHING BAIL CONDITIONS

Malawi Police Service (MPS) detectives have on Friday, September 15, 2023, arrested Mr. Bon Kalindo for his failure to honour bail conditions in a case of *Publication of false news likely to cause fear and alarm to the public* (Court Case Number 1447/21) which he stands accused.

This follows a warrant of arrest issued by the Lilongwe Senior Resident Magistrate (SRM) Court which MPS obtained. The same court charged and released him on bail with conditions for uttering information likely to cause fear and alarm to the public on Rainbow Television on December 20, 2021. He claimed to have knowledge of people behind the killings of persons with albinism but could not mention their names when asked to do so.

Among the conditions for his court bail was that he should be reporting to National Police Headquarters every fortnight. Kalindo last honoured this bail condition on April 26, 2023. He will appear in court on Monday, September 18, 2023.
