**MALAWI POLICE SERVICE INTENSIFIES SECURITY DURING EASTER CELEBRATIONS**

Malawi Police Service (MPS) wishes to assure citizens and residents that it has tightened security across the country during this year's Easter festive season.

MPS has increased deployment of its officers in all strategic areas who are conducting foot and motor vehicle patrols to keep criminals at bay. The Service has also deployed traffic police officers in all major public roads who are enforcing road traffic rules and regulations.

The Service calls upon all to collaborate with it during this period by reporting of any suspicious activities or individuals. MPS further implores all motorists to avoid drink and driving.

MPS wishes you a blessed Easter weekend filled with peace and happiness.
